Serial No.

Letter no C1-5749/45-6 dt 6.5.1946 from the Director of Food Supplies requesting sanction for the appointment of certain executive and clerical staff for rationing work in Shimoga town.

1) It is reported that although there is no legal rationing in Shimoga town, the system of distribution of foodgrains by means of identity cards involves no less work and that there is urgent need for the appointment of extra staff to assist the Food Inspector who is working at the place. The D.T.I. has therefore solicited sanction for the appointment of the following staff at an extra cost of Rs. 175/- p.m. (exclusive of dearness allowance) as proposed by the Deputy Commissioner:—

Executive } 1 Asst Food Inspector at Rs 50/ plus 10/- CA
1 —to— at Rs 30/ plus 5/-

Clerical } 1 clerk at Rs 50/-
1 —— 30/-

The above proposal is for orders

2) The period up to which the above extra staff is required has not been specified by the D.F.S. The basic scale of staff sanctioned for rationing work in the urban areas (vide Govt. No. Fd 1317-27/A232-43-3 dt 28/29.8.1944 where legal card rationing is extended with the approval of Government 1-Flag M) is for perusal in this Connection.

Secy 3) According to 1941 Census the 20/5 population of Shimoga town is 27,712. The Dy. Commr reports that there is no legal rationing introduced into Shimoga town and there is only one Food Inspector to look after the work of distribution of food stuffs on identity cards. His request for additional staff which is recommended by the D.F.S seems to deserve consideration. The D.F.S wants two Asst. Food Insprs on Rs 50+10 and Rs 30+5 respectively and two clerks on Rs 50 & Rs 30 respectively. The sanctioned scale of Asst. Food Inspr in even rationed areas is Rs 40+10 CA and of clerks Rs 40 and 30.

4) The D.F.S' proposals may be sanctioned limiting the pay of the 2 Asst. Food Insprs to Rs 40+10 and 30+5 respectively and that of the 2 clerks to Rs 40 and 30 respectively.

7) [redacted] differs from the opinion expressed by the Fin: S[redacted] In a big town like Shimoga with a population of about 27,000 the extra hands asked for by the D.F.S are absolutely necessary. Even in normal working the additional hands are needed. The proposals deserve to be sanctioned.

Subject: Staff required for rationing work. --

I have the honour to state that the problems relating to distribution of foodgrains in Shimoga town have increased and I am having also a few Government Depots from 1st May 1946. At present there is one Food Inspector. He has neither the assistance of clerks in the office nor of the executive staff. Even though there is no official rationing, the system of distribution by identity cards has been almost systematised and the work relating to this is in no way less than the official rationed areas. I therefore request you to kindly sanction the following staff with effect from 1st May 1946, to help the Food Inspector to carry on his duties in this connection.

Clerical:-	Executive:
